

Origami Snowflake Ornament

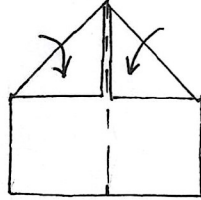

Google Origami Snowflake at Origami-CraftTV to watch YouTube video instructions

Supplies needed: 6 pieces of 3" x 3" 20 lb. paper, white, blue or ?

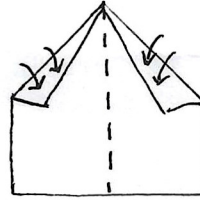

1. Fold paper in half.

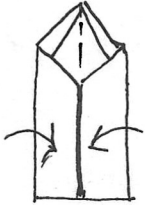

2. Open up and fold top corners down.

3. Open up and fold top corners down to first fold, then fold again.

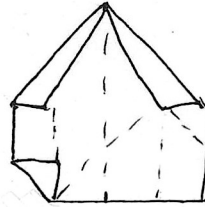

4. Fold to middle.

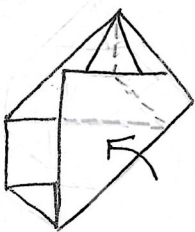

5. Fold bottom right corner up.

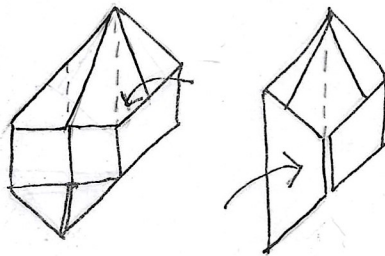

6. Open up bottom and fold left corner in.

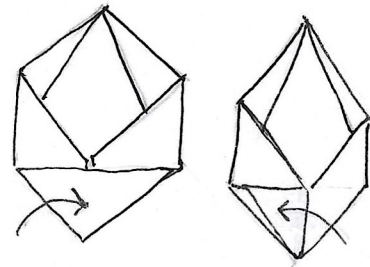

7. Fold right side up.

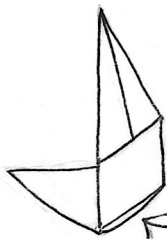

8. Fold flap down opening and flattening the right side. Fold left flap back to center.

9. Fold 'foot' up from left side, then fold right to left back onto itself.

10. Fold in half pulling 'foot' out.

11. Fold 5 more and insert each foot into opening slot to form ~~star~~ snowflake ornament.
